

Heddon's Gate – reopening in July 2020

We will be welcoming guests back to Heddon's Gate as soon as we are allowed to! North Devon has had one of the lowest incidences of Covid 19 in England but, despite being tucked away out of sight at the end of a private road, there is still a chance that the virus will find us.

To minimize this risk we have decided to adopt the following measures:

- 1) We will only be using 6 of our 11 bedrooms at any one time.
- 2) After each stay the room will be left empty for 72 hours.
- 3) Minimum stays of 3 nights will allow us to do this without losing too much income.
- 4) During your stay none of the staff will enter your bedroom
- 5) On the ground floor we have a huge breakfast room, 3 more rooms inside and lots of outside seating so we can socially distance everybody at 2 metres.

PLEASE RING 01598 763481 for further details
