

## Heddon's Gate – reopening in March 2021

We have been welcoming guests back to Heddon's Gate since July 4<sup>th</sup> 2020.

North Devon has had one of the lowest incidences of Covid 19 in England but, despite being tucked away out of sight at the end of a private road, there is still a chance that the virus will find us.

To minimize this risk we adopted the following measures which will stay in place probably until June 2021:

- 1) We will only be using 6 of our 11 bedrooms at any one time.
- 2) After each stay that room will be left empty for 48 hours.
- 3) Minimum stays of 2 nights will allow us to do this without losing too much income.
- 4) During your stay none of the staff will enter your bedroom
- 5) On the ground floor we have a huge breakfast room, 3 more rooms inside and lots of outside seating so we can socially distance everybody at 2 metres.

**PLEASE RING 01598 763481 for further details**
